ELIZABETH the SECOND, by the Grace of God, of the United Kingdom, Canada and Her Other Realms and Territories, Queen, Head of the Commonwealth, Defender of the Faith

To all to whom these presents shall come—  
Greeting

W. N. Vander Zalm  
Minister of  
Municipal Affairs

WHEREAS, pursuant to the provisions of section 767 of the *Municipal Act*, the Dewdney-Alouette Regional District was incorporated by Letters Patent issued on October 27, 1967:

And whereas it is deemed to be desirable and expedient that the Dewdney-Alouette Regional District be granted the function of water supply for certain specified areas within the boundaries of The Corporation of the District of Matsqui and the District of Mission:

And whereas in the event future conditions dictate or it is deemed expedient and necessary in the public interest that the

provision of bulk water supply throughout the whole or part of that area of the Province contained within the Regional Districts of Dewdney-Alouette, Central Fraser Valley, Fraser-Cheam, and Greater Vancouver, be handled by one central water supply authority, the Minister of Municipal Affairs may withdraw the function of water supply hereby granted to the Dewdney-Alouette Regional District and, by supplementary Letters Patent, transfer any or all of the assets, rights, claims, obligations and liabilities of the Dewdney-Alouette Regional District with respect to the function of water supply to the central water supply authority as may be designated by the Minister upon the issuance of said supplementary Letters Patent:

And whereas the provisions of section 767 of the *Municipal Act* have been duly complied with:

Now know ye that by these presents We do order and proclaim that the following be added to the objects, powers, obligations, duties, limitations and conditions of the Dewdney-Alouette Regional District:

*"Division XIV—Water Supply*

"1. The member municipalities participating in this function are the District of Mission (specified area known as 'District of Mission Water Area No. 1', By-law 567-1977) and The Corporation of the District of Matsqui (specified area known as 'Matsqui Water Utility', By-law 934 as amended by Bylaw 1450), which is within the Central Fraser Valley Regional District and for the purposes of this function is deemed to be a member municipality of the Dewdney-Alouette Regional District with all the rights, duties and obligations of a member municipality of the Dewdney-Alouette Regional District with respect to the function granted by this Division. The said members municipalities participate in this function and share in the cost thereof.

"2. For the purpose of the function, The Corporation of the District of Matsqui shall appoint members to the Regional Board of the Dewdney-Alouette Regional District as if the municipality were a member municipality of said regional district, in accordance with subsection (1) of section 779 of the *Municipal Act*, which applies with the necessary changes, in so far as applicable.

"3. The members of the Dewdney-Alouette Regional Board referred to in paragraph 2 shall be entitled to the same number of votes to which they would be entitled as if they were members of the Regional Board of said Dewdney-Alouette Regional District.

"4. The regional district is empowered to purchase water, and to acquire, design, construct, reconstruct, purchase, maintain and operate facilities, and to acquire all such real property, easements, rights of way, licences, rights or authorities for the purpose of supplying water to the specified areas of The Corporation of the District of Matsqui and the District of Mission for distribution by those member municipalities in conformity with the planning policies contained in the official community plans, official settlement plans and official regional plans adopted under the provisions of the *Municipal Act*.

"5. The regional district is empowered to sell water at its discretion and at a cost to be determined at the time the sale is to be considered subject to the rate and charge being authorized by bylaw and approved by the Minister of Municipal

Affairs, to municipalities other than those member municipalities specified herein for distribution by those municipalities which are nonmembers in conformity with the planning policies contained in the official community plans, official settlement plans and official regional plans adopted under the provisions of the *Municipal Act*.

"6. The regional district is empowered by bylaw to fix rates and charges for the supply of water to The Corporation of the District of Matsqui and the District of Mission for distribution only within the areas comprising the member municipalities of this function of the regional board and the provisions of section 640 of the *Municipal Act*, *mutatis mutandis*, apply to the regional district.

"7. For the purpose of this function, all assets, rights, claims, obligations, liabilities, contracts and agreements of the participating member municipalities with respect to water supply only are hereby transferred to the regional district in trust for the use and enjoyment of and fulfilment by the participating member municipalities; provided, however, that the transfer of real property together with any improvements thereon or therein may at the discretion of the municipality be by lease to the regional district for water supply purposes. Any initial lease entered into in accordance with the provisions of this paragraph shall be at a nominal rental of \$1 per annum and the term shall not exceed 10 years and it shall be renewable upon such terms agreeable to the owner municipality and the regional district; provided, however, in the event of a dispute between the two parties relative to the renewal of the lease, any issue in dispute shall be referred to the Comptroller of Water Rights whose decision shall be binding upon both parties.

"8. For the purpose of this function, bylaws of the participating member municipalities shall be deemed to be bylaws of the regional district where such bylaws or parts thereof relate to water supply, and said bylaws or applicable parts thereof, as the case may be, shall be administered by the regional district and be amended or repealed by the regional district on the advice of the Central Fraser Valley Water Commission as provided for in paragraph 12 of these supplementary Letters Patent.

"9. For the year 1980 only, that part of the annual budget of the regional district which includes provision for the function granted by this Division shall, before coming into force and effect, be approved by the Inspector of Municipalities.

"10. The annual net cost attributable to the function granted by this Division, including any annual debt charges, shall be apportioned between the specified areas of the participating member municipalities on the basis of assessment which may be taxed for the current year for school purposes, except those properties taxable for school purposes only by special Act.

"11. For the purposes of subsection (7) of section 797 of the *Municipal Act*, the Inspector of Municipalities may establish the amount of debt that may be incurred for this function.

"12. There is hereby established a Central Fraser Valley Water Commission which shall consist of six members as follows:

(1) (a) six members, three each appointed annually from and by the Councils of the Dis-

trict of Mission and The Corporation of the District of Matsqui, respectively;

(b) there shall also be appointed annually from and by the Councils of the District of Mission and The Corporation of the District of Matsqui, respectively, an alternate member who shall take the place of and have the vote of a specified member appointed pursuant to the provisions of clause (a) of subparagraph (1) of paragraph 12 in the case of any necessary absence from a meeting of the Commission, and notice of appointment shall be given to the Secretary of the Commission appointed pursuant to paragraph 16 before the alternate member may vote on any matter before the Commission.

(2) The Central Fraser Valley Water Commission shall, at its first meeting in each year, elect from among its members a Chairman and a Vice-Chairman to hold office for that year or until a successor is appointed.

(3) Each member of the Commission shall have one vote.

"13. It shall be the duty of the Central Fraser Valley Water Commission to

(1) advise the regional board on water supply matters on its own initiative or where such matters are referred to it by the regional board or council;

(2) act as liaison between the regional board and the member municipalities.

"14. The regional board may, by bylaw, delegate such administrative powers to the Central Fraser Valley Water Commission as may be deemed expedient.

"15. All matters concerned with the function of water supply granted by this Division, requiring legislative action by the regional board shall be referred to the Central Fraser Valley Water Commission at least 30 days before being acted upon by the regional board.

"16. The regional board shall appoint a secretary who shall be responsible for the preparation, maintenance and safe preservation of the minute books and other records of the transactions and other business of the Commission.

"17. The minutes and reports of the Central Fraser Valley Water Commission shall be submitted to the regional board and to the participating member municipalities.

"18. Should future conditions dictate the creation of a central bulk water supply authority or the extension of an existing bulk water supply authority to serve the whole or part of that area of the Province contained within the Regional Districts of Dewdney-Alouette, Central Fraser Valley, Fraser-Cheam and Greater Vancouver, the Minister of Municipal Affairs may withdraw the function provided by this Division and, by supplementary Letters Patent, under such terms and conditions as may be deemed advisable, transfer any or all of the assets, rights, claims, obligations and liabilities of the Dewdney-Alouette Regional District with respect to the water supply function herein provided for, to the central bulk water supply authority as may be designated by the Minister upon the issuance of said supplementary Letters Patent."

And that the Letters Patent of the Dewdney-Alouette Regional District be deemed to be amended so as to conform to the premises as and from the date of these supplementary Letters Patent.

In testimony whereof, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.
